

Want to take the stress out of shopping and help UH After Prom at the same time? The After Prom committee has set up a new program which allows you to purchase gift cards and the After Prom committee will receive a % of the sales. You can place your orders online, anytime of the day or night and pay with the convenient **PrestoPay™** service for a 39 cent fee or send/drop off a check to the UH office (envelope states Scrip Program). Since After Prom is charged a fee for the shipping of the gift cards we are going to start out by ordering monthly. For October and November orders must be placed or received in the UH office by the **1st Friday of the month** and we will have the cards ready for pick up the following Friday (**2nd Friday of the month**). For December we may go to bi-weekly. We will update the UH website with information as we try out this new program.

The reason for the effectiveness of scrip is simple: families generate revenue through purchases they would make anyway. Groceries, clothing, toys, gifts, even gasoline can be purchased with scrip. An organization of 150 families easily spends between one and two million dollars per year on food, clothing and other essentials. In order for the scrip concept to work, a participating retailer agrees to give a discount to Great Lakes Scrip Corporation. This discount is passed along to the non-profit organization, and when the certificate is sold by the non-profit for full face value, this discount becomes revenue for the organization. This program is a way hundreds of retailers can help non-profit organizations with little or no work on the organization's part. For a complete list of retailers visit the GLSC link: <http://www.glscrip.com/Shop/Default.aspx>
