Philosophy

The goal of the U-High Camp of Champions is for campers to improve their individual and team skills through summer competition. Our purpose is to prepare the campers for basketball competition on their respective grade level teams. The campers will be grouped by age and ability, will play in several basketball games daily, will compete in various skills contests, and will be introduced and drilled in the fundamentals of the game. An atmosphere of fun will be stressed where campers can continue to develop a love for the game of basketball.
