

University Technology Committee
May, 1996

Committee Members:

A representative from each department was asked to serve on this committee.

Meeting Times:

The committee met on an as-needed basis and always at 3 p.m.

Business Items:

Responsible for writing the Technology Plan for U-High. The committee also contributed to the U-High section of the College of Education Technology Plan.

Surveyed faculty and staff regarding technology usage and needs and communicated these to the administration.

Suggestions Regarding this Committee:

Use the Lab School Technology Plan (see attached) as a guide for our own technology vision and objectives.

Make the technology committee a part of Keystone. When particular goals need to be addressed, appoint a Keystone member to recruit a subcommittee to assist in meeting the goals.
