### Jan. minutes were approved

#### Old Business

- Video library – Updates on view counter – Fitness class and Journalism videos.  
Filters are now on the videos. We will see data in May meeting.  
Jim Kurz recommends directly asking COE faculty what they would like to see added/featured. Discussion followed, with requests for literacy and multiple literacy classes, and labs and PE classes  
Brian volunteered to tape morning classes beginning Friday, hoping to get AP presentations, clicker classes, a tablet classroom, a physics whiteboard class, and a Fitness class.
- Clinical Professional Development ad hoc committee report. – Update on preparation for 2/14 faculty meeting  
Vicky and Katie will run the faculty PD event at the faculty meeting the 14<sup>th</sup>. The survey is finished, the followup handout is ready, and they will develop the special powerpoint used with clicker classrooms soon.  
Also, Vicky has posted (in pink) the key dates for 216 field work in the Mailroom.
- Ed Psych In-service – Jan 22 – Kathy report  
Katie Orrego, Diane Walker, and Patrick Skuba did the faculty presentations; the science fiction class gave the guided tours; feedback from Dr. Alferink was positive.
- Review progress with **2007-08 goals**  
The three goals were reread; we are right on target.

#### New Business

- 216 In-service, - debrief  
Barb has gotten positive feedback from the event.  
Tom Holbrook reported that the lab system does not work in Science -- some problems with Business (labs when there are no classes) and For Lang. as well.  
Discussion followed, and Barb will double check that students see what classes are available for the hour they sign up for a lab. There are also advisement problems.
- Feb. 2/29/08 Conclave – information/ attendees from committee?  
Of the 35 attendees registered, only one is from UHS. Dixie and Diane will check their calendars, and Kathy will send an follow-up invitation to department chairs. Topics to be addressed include diverse field experiences, reflective clinical practice, grantwork for a Secondary Institute, and more.
- TSAF subcommittee report  
There are still plans for pilot instruments this semester, including one to assess out of classroom work. Agenda item for March meeting.

**March Meeting** – Thurs . 3/ 06/ 08 (This is according to our original rotation plan when we did not schedule a Feb. meeting).

April Meeting – Wed., 4/02/07 – May Meeting – Thurs., 5/01/07
