

Diversity Subcommittee Minutes – Monday, September 27, 2010

In attendance: Bob Fitzgerald, Lester Hampton, Kim Rojas, Debbie Hubbard, Lisa Vondale, Kate Pole, Andy Davis, Jeff Hill, Andrea Markert, Amy Reiman

The Diversity Committee spent its first meeting discussing the diversity survey and its obligations as a Keystone Subcommittee. The survey was discussed by Dr. Hill who informed the committee that it has been approved by the IRB and is ready to be distributed. A letter will be sent home to all parents explaining the purpose and protocol of the survey. The committee also spent time looking at the purpose, agenda, and membership of the committee to get a better overall view of what we hope to accomplish this year and in the future. A discussion regarding the committee being an administrative standing committee was also done. The committee suggests that the word "administrative" be struck from the Keystone Bylaws making the committee a standing committee with no administrator required to sit as its chairperson. This was approved by the members present.
