We are offering a season ticket that will give you admission to all U-High athletic contests, except Intercity, IHSA Contests, and Classic Tournaments. This season ticket is only $75.00 per person or $140.00 per family and is the only pass that will be sold. This is a tremendous savings for you and/or your family, and the money will be going directly to U-High Athletics. Without a season ticket, general admission prices for football and boys basketball will be $4.00 for adults and $3.00 for students. Purchasing a season ticket enables you/your family to attend all home U-High athletic contests for 2005-06. Since this money goes directly to the support of U-High Athletics, we are looking forward to a tremendous response. Thank you for your support.

U-High students need only present their school ID to get into events. The activity fee paid at the beginning of the year covers the cost of their ticket.

Help support the Pioneers! Please return your check (made payable to U-High Athletics) and the bottom portion of this form to:

Activities Director
University High School
Campus Box 7100
