Helpful Items for Online Registration:

- Online registration is an easier way to verify contact information, emails, health information and sign-on off on releases and waivers. This process does not involve registering for classes or building class schedules.
- Online Registration is restricted to Family #1 in Skyward.
- You need up-to-date log-in credentials to access Family Access.
- Skyward uses a pop-up, so you may need to enable this in your browser. If problems persist, try using a different browser.
- Please use the navigation buttons within Registration to navigate through it.
- You can save completed steps and return to Registration at other times to complete it.
- Online Registration MUST be completed in order to finish registering in person.
- All forms that must be completed by hand are available in the main office and will be available at Registration if you are unable to print them. If you need to use a computer to complete the online portion, you can stop by the main office during office hours, as well.
INSTRUCTIONS

- Log into Family Access – Visit www.uhigh.illinoisstate.edu, Hover over Log-In, Select Family Access, Enter Credentials, Enable Pop-Ups if necessary. Online Registration seems to work best in Chrome, but is available in other browsers.

- Click Online Registration for 2015-2016 (top of left menu). If you have multiple students at U-High, you will need to complete the entire registration process for each student. Select the appropriate student using the dropdown menu at the top of the screen.

- Read the message shown and then begin with Step #1 (E-Consent) in the menu on the right-side of the screen. This steps requires an electronic signature in order to move forward.

- Please note: Most waivers/agreements require an I Consent checkbox response and an Electronic Signature. You must complete these steps in order to continue through registration. You can print any of these forms by clicking the Save and Print button in the upper right corner of the form. Any optional step can be skipped by clicking to the next step in the right hand menu or you can open the link, close the link, and then navigate forward with the buttons within the step.
