University High School students driving to school must purchase a U-High student parking permit. All students purchasing a permit must show a current and valid University High School I.D. The cost of the student permit is $88.00.

Parking lots are designated for juniors and seniors. Seniors will park in lot U83, with overflow parking in lot G83. Juniors will park in lot U91 (corner of Gregory and Adelaide Streets) with overflow into lot G81 during regular school hours until 3:00pm; after 3:00pm juniors may park in lot U83, with overflow parking in lot G83. Students must properly display their permit and park in their designated area in order to avoid being ticketed and/or towed. During special events held on campus, permit holders may be displaced to lots north of Gregory Street. Informational signs will be posted during these events. Reminder- there is no parking allowed in the U-High "Pit" area, on the drives or in the bus lane at any time; vehicles in violation will be ticketed and/or towed.

Parents may purchase a Laboratory School parking permit. The cost will be $24.00 for the first permit and $20.00 for the second permit; permits will be limited to two per family. Laboratory permits are valid in lot L54 (located west of Metcalf/Fairchild) and in the designated parking spaces located in lot F83 (south side of University High School) between the hours of 7:00am and 4:00pm for up to 90 minutes. After 4:00pm, Laboratory permits are valid in the surface faculty/staff and commuter lots, not to include the parking garages or any reserved spaces or areas.

Permits can be obtained during registration at U-High on Wednesday, July 29, 2015, or at the Office of Parking and Transportation beginning on Thursday, July 30, 2015 by completing the attached permit registration form; incomplete forms will not be processed. Additional permit registration forms will be available during registration.

U-High students taking the morning Orchesis class at McCormick Hall may park on the first level of the South University Street garage visitor pay lot, displaying their student parking permit, from 6:00am to 8:00am only; any vehicles left in the pay lot area after 8:00am will pay the hourly rate of $1.00/hour. If you do not have a U-High junior or senior permit, the cost to park for Orchesis only will be $30.00 per semester. Reminder: meters are enforced 24 hours a day, 7 days a week. Parking in reserved spaces may result in a ticket and/or tow.

Don't forget we offer the Motor Assistance Program (MAP) for any vehicle parked on campus that needs assistance such as a jump start, unlocking your vehicle if your keys are locked in, providing a container for transporting gasoline if you run out, as well as assisting if you have a flat tire. This service is free of charge as long as you are on ISU property.

If you have questions regarding parking, please feel free to call our office at (309) 438-8391 and ask to speak with a customer service representative, or check our web site at Parking.IllinoisState.edu.
